Northern Micro is committed to delivering the ultimate customer satisfaction by providing Reliable, Innovative and Flexible computing solutions and by continuously improving our product and service offerings.

Ottawa Headquarters

- Hi,
- I don't offer inappropriate solutions
- I don't promise 15% elevated call-up discount and deliver 10%
- I don't send parts to a Service Call when a technician is expected or desired
- I don't hide the green fees on the quotation to make my price look lower
- I don't ship your order unassembled unless you request it
- I don't hide when I've caused a problem
- I don't say "EH" too often
- I am an NMSO procurement specialist
- I have excellent contacts with most IT manufacturers
- I have been in business for twenty five years
- I have a good reputation and I care about it
- I have a warehouse where I can customize your order
- I make sure the warranty you buy is activated
- I can ship in bulk packaging without forgetting the packaging
- I actually DO what I agreed to in the contract
- I solve problems for a living
- I am a Northern Micro representative and I'm proud of it.
