- Acer ComfyView Display
- 85% PCR, 5% OBP
- 100% paper packaging
- TCO Edge/ENERGY STAR/EPEAT Gold Certified
- TUV Eye Comfort
- TUV low blue light certified

4K UHD monitor

Clearer, sharper images in full high-definition color. Acer monitors brings users into a perfect colorful world in 4K UHD 3840 x 2160, and provides the finest natural and sharp original quality 100,000,000:1 contrast ratio.

AMD FreeSync™

With AMD FreeSync™, the game's frame rate is determined by your graphics card, not the fixed refresh rate of the monitor. This means the monitor's frames are synced with the graphics card's frames, which eliminates screen tearing and delivers very smooth gaming experiences.

Ergostand

The Acer monitor allows user to tilt, swivel, pivot, and height adjust with flexibility to meet every using environment, finding the best viewing angle..

Acer VisionCare™ 2.0

Acer VisionCare™ technology incorporates several features, such as true low blue light panel, that take into consideration prolonged usage by heavy users such as programmers, writers, and graphic designers to reduce eye strain and provides a more comfortable viewing experience.

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors,
